

ASA CAREER EXPLORATION CURRICULUM

UNIT 2: UNDERSTANDING OPTIONS: CAREER EXPLORATION

Module 7

Module 7: Claim Your Future® Digital Lesson Plan

Topics: Skill Inventory, Independent Living Skills, Career Choices and their impact

Learner Objectives:

By the end of this module, learners will be able to:

- Create a budget based on a career's salary
- Increase understanding of the balance between spending and saving
- Appraise their experience in the module through self-reflection

Lesson Plan:

Claim Your Future® Prework

Share the Claim Your Future® Prework page (page 2-3 in module plan) with your child to fill out prior to playing the game. Saving as a digital document where students can type in their answers is most effective.

Claim Your Future®

Digital version of the game: <https://asa.claimyourfuture.com/>

Exit Ticket:

Share the Claim Your Future® Exit Ticket page (page 4 in module plan) for your child to fill out.

Additional Resources:

Use this Educator's Guide for additional activities to use:
